

Anne Carta

Supervisor, Emergency Management and Community Health
Saint Francis Memorial Hospital

In her role at Saint Francis Memorial Hospital, Anne is responsible for the development and implementation of the emergency management program. Anne serves on the backbone team of Tenderloin Health Improvement Partnership and supports the Board of Trustee's Community Advisory Committee. Anne is chair of the Saint Francis Emergency Management Committee, co-chair of the Saint Francis Human Trafficking Task Force, and co-chair of the Healthcare Coalition Emergency Preparedness Partnership at the San Francisco Department of Public Health. Anne also supports the San Francisco Giants in medical event planning.

Prior to joining Saint Francis, Anne worked with city, county, state, and federal agencies to develop emergency plans and procedures and to design and deliver training, drills, and exercises. Anne completed her Bachelor of Arts in International Studies at the University of Missouri.
